Assignment of COMSN, Inc. Operations Completed

This is to inform you that with the exception of some outsourced operations we have completed the assignment of the “home-care services” and “residential-care services” of subsidiary COMSN, Inc. (“COMSN” hereinafter) in 47 prefectures. Operations were assigned to their respective receiving companies on November 1 and December 1, 2007.

We would like to express our deep gratitude for the generous support and assistance we have received during the succession process from everyone involved and particularly from the customers who make use of COMSN’s services.

We also wish to express our heartfelt thanks for the patronage and good will that we have enjoyed from our customers and all those involved in these operations.

We hope that the companies succeeding to COMSN operations will continue to enjoy the same levels of support and patronage in the future.
